

JOIN **K-ROCK** TO HEDONISM III JAMAICA JANUARY 8 ON K-ROCK'S CANADA WEEK AT HEDO III

It is back!! Join K-ROCK's Melissa Wright on the annual K-ROCK Radio Dread Lock tour for a week of **naked fun and sun at Hedonism III**. Canadians are invited from across Canada to join in this fun, wild week. Every night is a party for couples and singles alike. Just about all the adult fun you can imagine in one location...**Hedonism III**. And remember what happens in HEDO stays in HEDO. And you just have to be here!!

Tucked away on Jamaica's sultry North Coast, **Hedonism III** the world's most notorious resort - and more! A Roman tub in every room. And a see-through slide that snakes through the disco. At **Hedonism III**, you'll find that famous uninhibited spirit where just about anything goes. **For couples and singles!!!**

Hedonism is a sandbox for your inner child, nourishment for the mind, body, spirit and soul. Pleasure comes in many forms. Sleep in. Stay up late. Give up counting calories. Have a drink before noon. Give up mineral water. Dine in shorts. Talk to strangers. Don't make your bed. Go skinny-dipping. Be your beautiful self in Jamaica.

On one side, there's the main beach, with soft sand, high-flying trapeze and comprehensive water sports complex. And on the other, a secluded cove with its own pool, bar and spa for those who choose to go **au naturel**. Naturally, everything's included...so do whatever you want, whenever you want. We suggest you try everything once, and the really bad things as frequently as you can. But there's more to Hedonism III than a wet and wild, non-stop party. Like award winning cuisine at a variety of unique restaurants. **Free flowing liquor at bars that never close.**

Accommodation: Superior room two twin beds or 1 king, mirrored ceiling, CD player and air conditioning.
